Berlin, 06th June 2011

**Invitation to the press conference on the 8th of June, at 11:00 in Rotes
Rathaus, Berlin Town Hall**

The JAKARTA BERLIN ARTS FESTIVAL presents its programme and catalogue.

For the first time and for one time only the JAKARTA BERLIN ARTS FESTIVAL will take place from the 25th of June to the 3rd of July in various venues in Berlin under the patronage of the Governing Mayor of Berlin, Klaus Wowereit and the Governor of Jakarta, Fauzi Bowo. Since scarcely anyone knows that Berlin and Jakarta have officially been sister cities since 1993, this summer the festival aims at gathering artists from both metropolises for one week, providing a unique opportunity to put into dialogue their respective contemporary cultures. For the Berlin audience it will be a festival full of discoveries, with a programme that is the first of its kind to be released in Europe.

We are excited to present to you our final programme and catalogue at:
